## Clopper's Mill Swim Lessons

March 1, 2009

Dear Clopper's Mill Community Member:

This summer we will again be offering **SWIM LESSONS** at your community pool. Please note the addition of our new class: **Toddler Fun**. We hope that you will join us!

The lesson program will be managed by Jorge Silva and his wife Beth. Jorge, the head coach of the Marlins swim team, runs the Hydro-Sonic Tiburones, an officially registered and fully insured year-round swimming program. The swimming lessons will be taught by trained Hydro-Sonic coaches, some of whom are also Marlins coaches. You can find information about group lessons on the other side of this sheet.

Private lessons will also be available this summer. To schedule a private lesson, parents should make arrangements directly with the instructor. You do not need to fill out registration paperwork if you are doing private, rather than group, lessons. Please be aware that our group lesson program concludes at the end of July.

Registrations may be returned at any time prior to the start date. **PLEASE REGISTER EARLY**, as our lessons fill up quickly. You can return your registration by email, mail, or by fax to our office. For additional information please contact our office manager, Michelle Callanan at 240-683-8428 or [michelle@swimtibu.com](mailto:michelle@swimtibu.com) If you prefer, you can register online now at [www.swimtibu.com](http://www.swimtibu.com)!

We hope to see you and your little ones this summer!

Sincerely,  
Beth & Jorge Silva
